The screenshot shows the EpiMolBio v.0.1 web application interface. The main title is "UNIQUE SEQUENCES". The left sidebar contains navigation links: HOME, VIRUS, VARIABILITY, HOMOLOGU, TRACKER, ALIGNMENTS, TOOLS, and language flags (Spanish and UK). The main content area has an "Input" section with a text box labeled "Input" and a "Minimum Frequency" section with a text box containing "0.0". There is an "Output" section with a text box labeled "Output". At the bottom right, there are "Calculate" and "Cancel" buttons. A "< Back" button is located in the top right corner of the main content area. Information and help icons are located at the bottom left of the main content area.
