User Manual

Section VI.3: Traducción (p187 - p191)

See the full manual [here](#).

Example File

File Name: TRADUCCIÓN RT VIH-1.fasta

Parameter Selection

- Traducir/Eliminar Gaps:

- Traducir

- Marco:

- Marco 1

The screenshot shows the EpiMolBio v.0.1 web application interface. The main header is green with the title 'TRADUCCIÓN' and a logo. A dark blue sidebar on the left contains navigation links: EpiMolBio, INICIO, VIRUS, VARIABILIDAD, HOMOLOGÍA, RASTREADOR, ALINEAMIENTOS, HERRAMIENTAS, and language flags for Spanish and English. The main content area has a light green top bar with the title 'TRADUCCIÓN'. Below this, there are two main sections: 'Entrada' (Input) and 'Salida' (Output). The 'Entrada' section includes a checkbox for 'Traducir' (checked) and a checkbox for 'Eliminar Gaps' (unchecked). The 'Salida' section includes a dropdown menu for 'Marco' (Frame) with 'Marco 1' selected. There are buttons for '< Atrás' (Back), 'Calcular' (Calculate), and 'Cancelar' (Cancel). At the bottom, there are icons for information and help.
