The screenshot shows the EpiMolBio v.0.1 web interface. The left sidebar contains navigation links: EpiMolBio, HOME, VIRUS, VARIABILITY (highlighted), HOMOLOGY, TRACKER, ALIGNMENTS, and TOOLS. At the bottom of the sidebar are flags for Spanish and English. The main content area is titled 'CONSENSUS' and features a green header bar with a DNA helix icon. Below the header, there are two main sections: 'Input' and 'Output'. The 'Input' section includes a 'Select Round' dropdown menu set to 'Successive Rounds' and a 'Reference' text box containing the sequence: PISPIETVPVKLPGMDGPKVKQWPLTEEKIKAI. The 'Output' section is currently empty. At the bottom right, there are 'Calculate' and 'Cancel' buttons. A '< Back' button is located in the top right corner of the main content area.
