The screenshot shows the EpiMolBio v.0.1 web application interface. The left sidebar contains navigation links: EpiMolBio, HOME, VIRUS, VARIABILITY (highlighted), HOMOLOGY, TRACKER, ALIGNMENTS, and TOOLS. At the bottom of the sidebar are flags for Spain and the United Kingdom. The main content area is titled 'CONSENSUS' and features a 'Back' button. Below this, there are two input fields: 'Select Round' (a dropdown menu showing 'Round 1') and 'Reference' (a text box containing a long sequence of amino acids). At the bottom, there are 'Calculate' and 'Cancel' buttons, along with information and help icons.
